BRIDGE CO. LOST IT'S CASE; DR. H. INBERG FINED $25

Eliza Hawkins, Colored, of Wireton, Found Not Guilty of Larceny and Prosecutor Pays Costs—Other Cases Disposed of.

A verdict of not guilty was returned yesterday morning in Judge Doty's court in the case of Eliza Hawkins, colored of Wireton, charged by W. O. Donella, a watchman for the American Bridge company, with having stolen several buckets of coal from the company which he represents. The woman claimed that she had not stolen the coal, but that the coal in her possession had been picked up by her on the tracks of the Pittsburg & Lake Erie railroad. Even though she had been guilty of the offense, as charged, it was hardly sufficiently serious to require that she be severely punished. As a result of the jury's finding, the prosecutor will pay the costs.

Dr. H. Inberg, charged by Chief of Police Woolsey with practicing medicine without a license and who pleaded guilty Saturday, was yesterday called for sentence. As Dr. Inberg had all the other necessary papers he was ordered to pay a fine of $25 and was released.

Mike Crock, of Smithton convicted of aggravated assault and battery, was fined $25 and sent to jail for one day. In the case in which he was defendant to the same charge, with Sam Fioro, as prosecutor, he was acquitted and the costs were placed upon Fioro.

The grand jury yesterday passed upon the indictment prepared in the case of Ildo Novakovic, charged with the murder of Constable George S. Anderson, of Greensburg, at New Florence, several weeks ago. A jury will be selected for the trial of this case on Monday, Nov. 19.

A verdict finding the defendant guilty as indicted was returned by the jury in the case of Elmer James, of Scottdale, charged by Constable Joe Heffelfinger, with assault upon the person of a young Scottdale girl. Today the cases of Wm. Burris charged by G. W. McCallahan of the American Bridge Co. with larceny and Stonage charged with carrying concealed weapons will come up for trial.

While returning home from work late last evening, Miss Clarrisa Baker, a young saleslady of Greensburg, was viciously attacked by an unknown man, who stabbed her in the neck with a pen knife. Frank C. Farquhar, tax collector of Washington township, Fayette county, against whom there are four charges of embezzlement and four charges of collecting taxes and failing to make a return, has been lodged in jail at Uniontown. It is said that Farquhar's shortage is about $5,000. Farquhar was Tax Collector for the terms of 1903, 1904 and 1905. Most of the shortage is on the 1905 taxes, returns having been made for the previous years. He is about $1,000 short on the State and county taxes, and the balance on the school taxes. His sureties in the sum of $15,000 are Andrew Brown and Lewis Cope.

It is said that Farquhar has been drinking heavily lately. He is not responsible financially, according to reports. An effort will be made to collect the amount of Farquhar's shortage from his bondsmen.

RINKS HURTING THE THEATRES.

People Prefer an Evening on the Elusive Rollers and the Playhouses are Suffering as a Result.

The managers of theatres over the country and the managers of shows are complaining that the skating rinks are giving their business a black eye. The Greensburg Review yesterday published the following concerning the skating rink-theatre question in that city:

"Skating rinks, which have become so popular in all the towns and cities over the country, have put the theatres to the bad this season, is the general verdict of the theatrical managers and managers of shows that come to this town. So popular has the fad of roller skating become that hundreds of the regular patrons of the theatres have not darkened the doors of the playhouse this winter, rather preferring to spend their evening in gliding around on the elusive rollers. There is scarcely a town in the country, that is large enough to support a theatre, that does not have one or more skating rinks with hundreds of enthusiasts that patronize them every evening. Parties and special entertainments are given which take the place of the time-honored theatre parties. In the cities there are rinks which have thousands of feet of skating space and these likewise attract thousands of people.

Last night at the St. Clair theatre a very creditable musical comedy, was the attraction which played to a mere handful of people. This was the last production of this show, which disbands here."

REBEKAH ENTERTAINMENT WAS A GREAT SUCCESS

Over Two Hundred Guests Enjoyed the Feast of Music and Good Things. Pleasing Musical and Literary Program Was Rendered.

The entertainment given by Necessity Rebekah Lodge I. O. O. F. in Opera House hall, last evening, was a notable success, and a social event of unusual brilliancy. Despite the inclement weather over two hundred guests were present, and all thoroughly enjoyed the fine musical and literary program and the sumptuous feast which followed. Musical numbers were rendered by the Misses Mary Litton, Hirsh, Lucy Evans and Prof. French, Robert Lear of Pittsburg, Master Eller, and the Messrs. Williams with Miss Lucy Evans and Mrs. Davis as accompanist. Recitations were also given by Mrs. O. Sheck, Miss Anna Sprouse, Mrs. L. H. Richards and Mr. David Fenton. The program was announced by Mrs. L. H. Richards. Following the program an elaborate feast, to which full justice was done by all, was served. The features of the evening were a cakewalk which was won by Mrs. McClain, and a guess cake won by Albert Bamford.

The cake contained a marble which Mr. Bamford guessed correctly. Taken all together the evening passed very pleasantly and was enjoyed by all.

PAGE ENGINEER SERIOUSLY ILL

Mr. John Henchcliff, formerly of Smithton, but for a few years a resident of Donner avenue and a trusted engineer at the Page mill, is lying very ill of brights disease at the home of a sister, Mrs. Hough, of Twelfth and Highland avenue. Mr. Henchcliff has been sick for some time and his condition is now such that recovery is doubtful.

For years he has been a member of Golden Gate Commandery, No. 340, Knights of Malta, of Smithton, but during his sickness Monessen Commandery, No. 382, has given every attention possible. Mr. Henchcliff has a family and his misfortune is to be regretted.

"The Flaming Arrow."

When Edmond Carnotte, the celebrated sculptor, was commissioned by the United States Treasury Department to make the new Nineteen Hundred Penny, he selected a famous Indian as his model, as having the truest Indian features he was able to find. Mr. Lincoln J. Carter, the noted producer and playwright, has written a thrilling and interesting play cleverly depicting Frontier Life, showing the American Aborigne as he lives in his wigwam, his habits, mode of living, his character and temperment. The name of this play which will be seen at the Monessen Opera House on Tuesday Nov., 20th, is *The Flaming Arrow*". A company of sterling worth, including a band of 16 full blooded Indians, together with cowboys, scouts, ex-United States soldiers, horses and broncos. An Indian Band, with the attraction, will play before the opera house before each performance.

THAT Columbia University professor who was beaten for the Connecticut legislature by his hired man—a stonemason—by sixteen majority, probably feels rockier than anybody in this section of the country, today.

AT THE THEATRE

The only dramatic century plant from which flowers are always being picked, if one may pardon the anachronism, is "Uncle Tom's Cabin". Things may come and things may go, but this moving tale of slavery days, goes down the corridors of time forever.

It seems hardly possible that anybody may not have seen "Uncle Tom's Cabin," yet packed houses greets the famous Stetson Company wherever it appears and countless thousands laugh, cry and applaud as though it were a new dramatic offering. Such is the tenacious hold that drama has on the affections of theatre goers when properly presented. Poor versions of this play, and poor "Uncle Tom's Cabin" companies have for years dotted the sea of drama like so many active marine carryalls. Most of them are long since strewn along the shores of time, like so many derelicts.

The Stetson Company bears the reputation of a rara-avis among the productions of this drama and wins the very highest commendation. It is said to dwarf all other productions of this play, as the Himalayas dwarf a mole-hill. In Manger Washburn's production it is almost a new play, so modern and up-to-date are the various accessories to its successful presentation.

The Play is presented by an excellent company, perfectly adapted to the demands made upon each, and the five (5) acts are said to move as smoothly and impressive as a motor pacer.

The scenic effects are pronounced remarkably fine, while the necessary mechanical adjuncts will be found all that can be desired in order to make it good enough to be called stupendous.

The "Uncle Tom's Cabin" production is worth seeing and will prove a delight to young and old, to those who have seen it and to those who have not.

Stetson's is a remarkable revial of a reliable classic. The house is sure to be filled on Saturday Nov., 17. at the Monessen Opera House by those who wish to refresh their memories as well as those who delight in a fine dramatic offering.

Between the acts, special high-class vaudeville acts will be introduced. The parade is said to be the grandest ever given by any theatrical company anywhere.

Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively; not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have, these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves — re-establish them as needed, with

Dr. Shoop's Restorative

Couldn't Lift Ten Pounds.

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. CORTON.

J. B. Corton, farmer and lumberman, of Deppe, N. C., says "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in easy buggy. I do not believe could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

A FREE TRIAL of this great kidney medicine which cured Mr. Corton will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

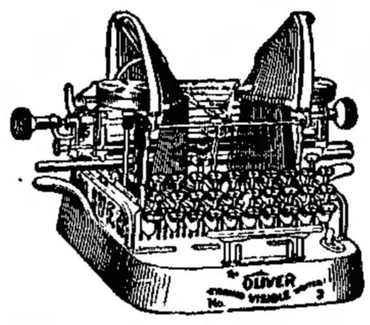
THIS TYPEWRITER DELIVERS THE GOODS

It's the Oliver—the Standard Visible Writer.

The Oliver Typewriter is just like an athlete stripped for a race.



It is free from unnecessary multiplicity of wires and springs

No net work of flimsy keys to get tied into hard knots

The nimble fingered stenographer can put talk into type with this machine just as rapidly as she takes your dictation.

For no matter how swiftly she writes, she can see just what she's doing

The keyboard is so wonderfully responsive to the touch of the finger tips that speed comes without effort.

The factors that make for speed are its visible writing, its light, elastic key-touch, and it's all 'round simplicity. It has the fewest possible wearing points, and it prints with a downward stroke.

The OLIVER Typewriter

THE STANDARD VISIBLE WRITER

is a flawless piece of mechanism, combining the strength of tested steel with the perfect adjustment of the works of a watch. You can use an Oliver a life time and the type will not lose alignment

It never suffers from nervous prostration; requires only a little oil and plenty of exercise to keep it at the highest point of efficiency.

The hum of Oliver Typewriters is heard in the most progressive business houses in the land. Sales increasing at a phenomenal rate. Get acquainted with the Oliver! Write for the Oliver book—we send it free with our compliments.

Last night's match between the McGinleys and the Keystones was marked by the splendid rolling of the former team. Although the Keystones rolled scores that would have landed them an easy winner in an ordinary match, they were simply overwhelmed by the sensational work of the McGinley's who broke records right and left

In the second game Underwood established a new record for individual high score, beating his former record of 224 by 11 pins. Zollars rolled splendidly, making high scores in the first two games He also made the high average of 242½, a new record. Bearer rolled a nice score in the first game. By rolling 949 pins in the second game, and an average of 899½ for the three, the McGinley's also established two new records The scores

The Store That's Always Busy

BIGGER Than Ever

THE QUALITY IS RIGHT AND THE PRICE IS RIGHT

WHY? By honest, fair and upright dealing our trade has increased so rapidly that in two years we have been compelled to increase our floor space from 4,400 to 11,000 square feet.

Day after day, in our store, customers remark that our stock of furniture is far above anything in the city in quality and that our prices are wonderfully low.

Goods that are cheap in quality should be cheap in price.

As for our stock we simply show the best the whole wide world produces, pricing legitimately and meeting our patrons more than half way in the matter of accommodations.

That's Why We've Grown.

Come in and take a look at our line of BED ROOM SUITS, and odd DRESSERS, in Mahogany, Bird's Eye Maple or Oak. We also call especial attention to our line of DINING ROOM SUITS, BUFFETS and SIDEBOARDS, in either Early English Weathered or Golden Oak. In quality, design, workmanship and finish they are unequaled. Get our prices on Daven parts and Leather Rockers.

One of our Carpets or Room size Rugs will add a wonderful "newness" to that dining room for Thanksgiving. AND THAT'S NOT ALL. We carry the largest line of Builder's Hardware, Gas and Coal Ranges, Gas and Coal Heaters, Paints, Oils, Glass, Shelf Housefurnishing Goods, that is carried under one roof in the Monongahela Valley. We will trust you.
